

## The Quantum Path To Health and Healing

All suffering, illness and disease is a call to awaken you to something that has been poisoning your body, mind or spirit. These poisons reduce the quality and flow of life giving ethereal energy (chi), which coordinates all the cellular and organ functions required for health and vitality.

Blockages in energy flow cause a build up of excess energy associated with symptoms of irritation, inflammation and pain. Deficiency of energy leads to degeneration and abnormal cellular function over time. Until these underlying causes are removed and the subsequent energy blockages cleared, there can be little long term improvement in ones recovery back to health and vitality.

These poisons include:

**Physical Toxins:** Low quality food, air and water, toxic chemicals/drugs/pollution, heavy metals, allergens, infections and physical injuries caused by accidents, inappropriate medications and surgery.

**Emotional Toxins:** from unresolved past emotional events and traumas stored in your cellular memory/ consciousness that caused:

- Feeling dirty, rejected, scared, violated, unsafe, anxious or dying.
- Suppressed feelings of frustration, anger, guilt, shame, sadness, etc
- Inability to fully express your male and female energies due to gender /identity issues.

**Mental Toxins:**

- Fear of not being good enough to be loved, accepted and valued.
- Fear of not having enough- poverty mentality, risk avoidance behaviour
- Fear of rejection and failure.
- Fear of not having meaning and purpose in your life.
- Negative defensive behavior's to justify your value and safety like striving for perfection, people pleasing, passive, argumentative, judgmental, critical, aggressive, manipulating, lying, apathetic, depressed or other attention seeking behaviours (including illness).

**Spiritual Toxins:** Beliefs that you are unworthy of receiving or being separated from the Love, Joy, Abundance and Peace that resides in your Spirit(God/Universe/Source/Higher Self/Creator).

At the Quantum Healing Center you will see a variety of very experienced practitioners who specialize in removing these poisons from each part of your consciousness and re-balancing your energetic and physical systems. A typical treatment program will take between 2-3 months to clear the main underlying causes of your dis-ease and recreate your new life of Health and Vitality.
